

# Landing page for CodeOverflow

## Registration page

A registration form is centered on a dark navy blue background. The form itself is a light gray rectangle with rounded corners. At the top of the form, the word "Register" is written in a white sans-serif font. Below this, there are five input fields, each with a light gray border and a white background. The first four are single-line text inputs labeled "Username", "Email", "Password", and "Confirm Password". The fifth is a larger text area labeled "Tell us about yourself". Below the text area is a file upload component consisting of a small button labeled "Choose File" and a text box containing "No file chosen". At the bottom of the form is a prominent blue button with the word "Register" in white. Below the button, the text "Already have an account? [Login here](#)" is displayed in a small, light gray font.

## Login page

A screenshot of a login page with a dark background. A light gray box in the center contains the title "Login" in white. Below the title are two white input fields: "Username" and "Password". A blue "Login" button is positioned below the password field. At the bottom of the box, there is a link that says "Don't have an account? [Register here](#)".

## List of questions

A screenshot of the CodeOverFlow website showing a list of questions. The header includes the CodeOverFlow logo, navigation links for "Questions" and "Users", a search bar, and "Login" and "Register" buttons. Below the header, there are filters for "Newest", "Active", and "Unanswered", along with a "Filter by Tag" dropdown and a "+ Ask Question" button. The list of questions is as follows:

- how do i run this**  
2 this doesnt run

## View profile

The screenshot shows the profile of a user named Sumit on the CodeOverflow platform. The header includes the CodeOverflow logo, navigation links for Questions and Users, a search bar, and an account menu. The profile section features a circular profile picture of Sumit, his name, email address (sumit@gmail.com), and a bio (NUS Information Systems Student 5/5 GPA). Below this are three buttons: Edit Profile, Change Password, and Delete Account. The 'My Answers' section lists three answers with their respective vote counts: 'run run' (3 votes), 'you have to ideate, then find the tech stack, then code it out' (1 vote), and 'its a fantastic course, would recommend' (-1 vote). The 'My Questions' section shows one question titled 'How do I open VSCode?' with 1 vote. The question text is 'I want to code out an assignment for my IS3106 mod but I forgot how to open up VSCode. How do I do so?'.

## Edit profile

The screenshot shows the 'Edit Profile' modal on the CodeOverflow website. The modal is centered and has a dark theme. It contains the following fields:

- Username:** A text input field with the value 'Sumit'.
- Email:** A text input field with the value 'sumit@gmail.com'.
- Bio:** A text area with the value 'NUS Information Systems Student 5/5 GPA'.
- Profile Picture:** A section with a 'Choose File' button and a 'No file chosen' status.

At the bottom of the modal are two buttons: 'Cancel' and 'Save Changes'.

Below the modal, the user's profile is visible. It includes a section titled 'My Answers' with three entries:

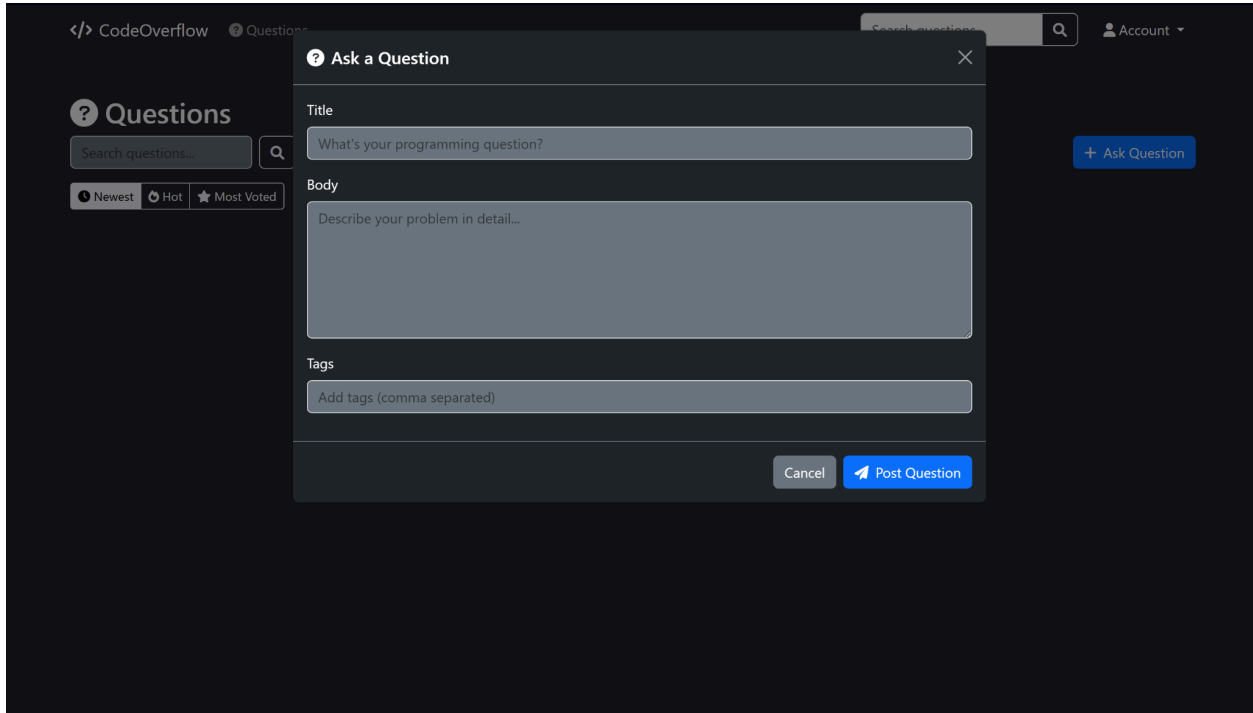

- run run (1 upvote)
- you have to ideate, then find the tech stack, then code it out (1 upvote)
- its a fantastic course, would recommend (-1 upvote)

Below that is a section titled 'My Questions' with one entry:

- How do I open VSCode? (1 upvote)  
I want to code out an assignment for my IS3106 mod but I forgot how to open up VSCode. How do I do so?

All fields are editable. Changing password is a different path.

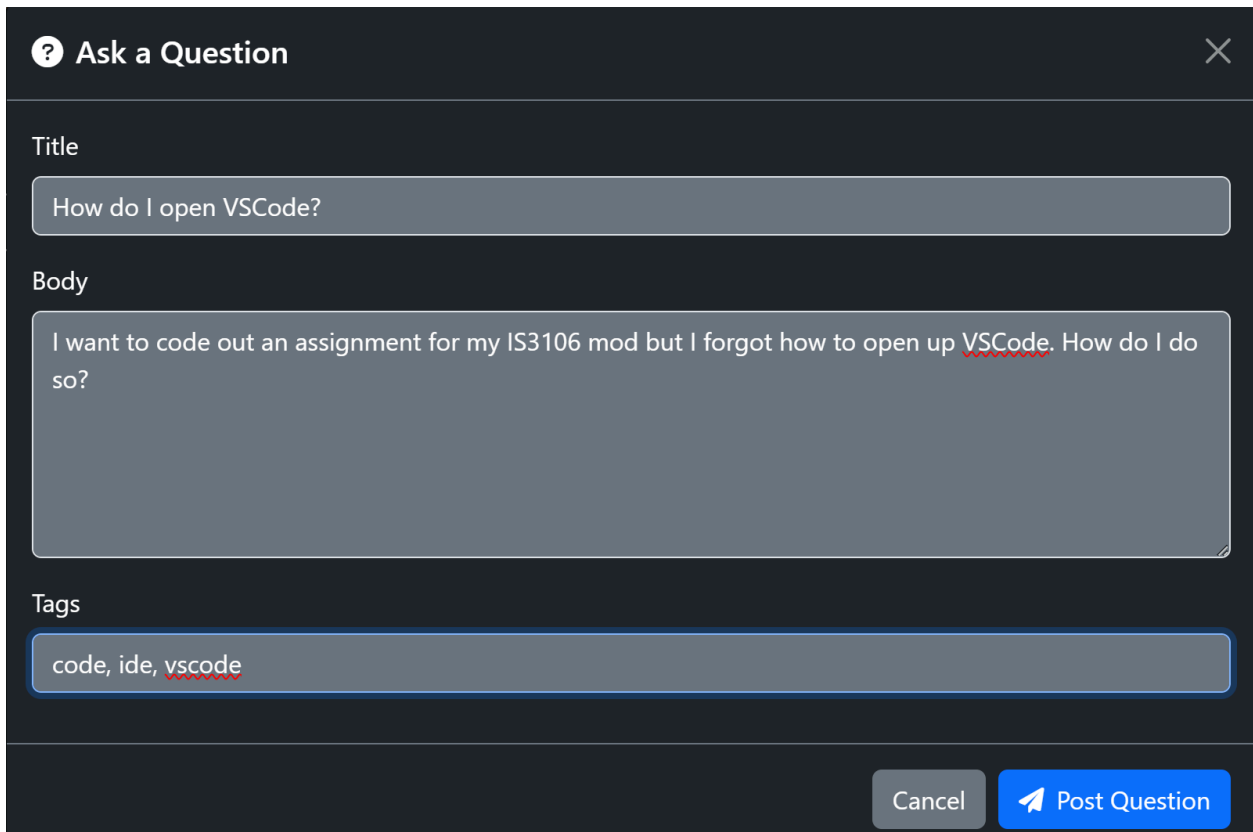

## Ask a question

The screenshot shows the 'Ask a Question' modal in the CodeOverflow application. The modal is dark-themed and contains the following elements:

- Title:** A text input field with the placeholder text 'What's your programming question?'.
- Body:** A large text area with the placeholder text 'Describe your problem in detail...'.
- Tags:** A text input field with the placeholder text 'Add tags (comma separated)'.
- Buttons:** A 'Cancel' button and a 'Post Question' button (highlighted in blue) at the bottom right.

In the background, the CodeOverflow interface is visible, including a search bar, a 'Questions' section with filters (Newest, Hot, Most Voted), and a '+ Ask Question' button.

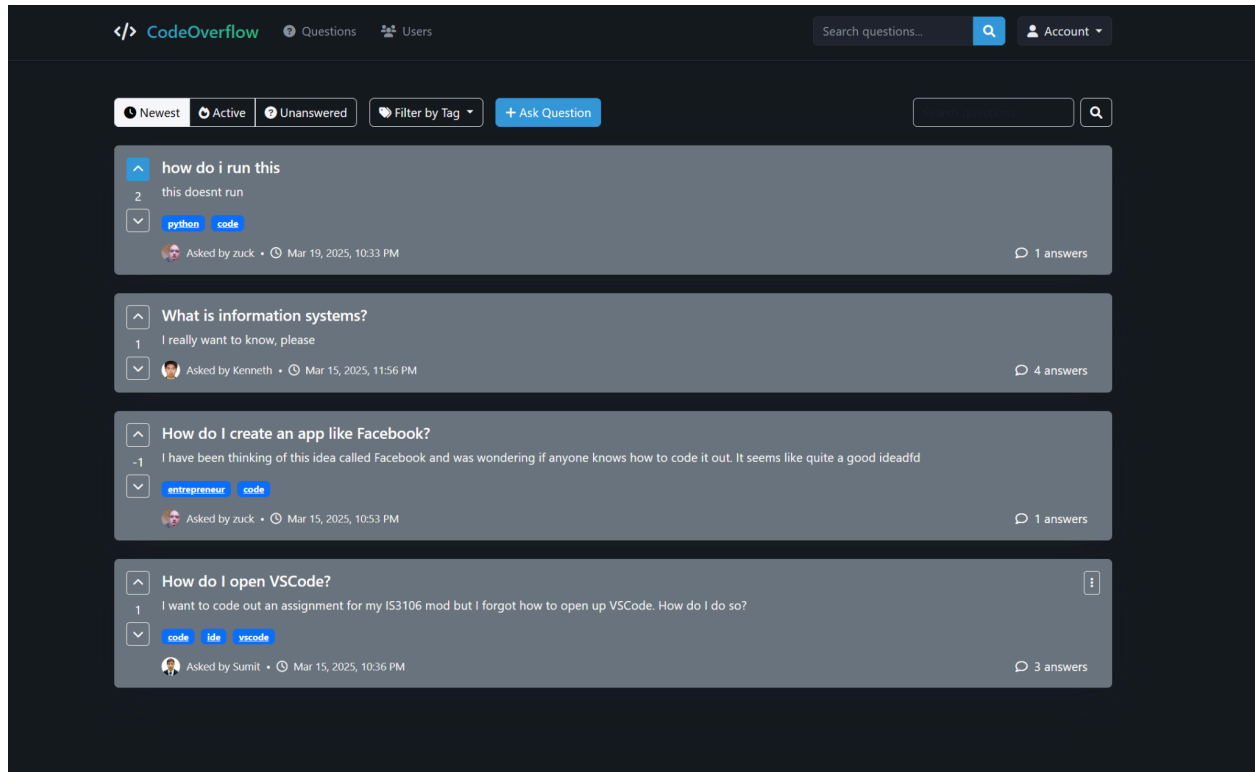

This image shows the 'Ask a Question' modal with the following filled-in content:

- Title:** 'How do I open VSCode?'.
- Body:** 'I want to code out an assignment for my IS3106 mod but I forgot how to open up VSCode. How do I do so?'.
- Tags:** 'code, ide, vscode'.
- Buttons:** 'Cancel' and 'Post Question' (highlighted in blue) at the bottom right.
